- ☐ **POL/EPL Program Changes** – There were a number of retention and limit changes evolving around the NJCE Insurance Program Renewal. One of those changes is an increase in the POL/EPL deductibles for the Camden County MUA, Improvement Authority and Board of Social Services. There is a buy-down option for these agencies to pay a loss funding charge to return the deductible to their pre-renewal levels. This would mean the CCIC would cover the difference between the insurer's deductible and the member's proposed deductible buy-down level. If the Commissioners agree to cover this layer, a motion to approve this is in order.

The Fund Office will notify each member entity affected by this change with the amount of their buy-down option. Members could opt to go with the higher deductibles instead of paying the buy-down cost.

From: Glenn Prince, Public Sector Assistant Director  
To: New Jersey Counties Excess Joint Insurance Fund Commissioners  
Date: February 1, 2021  
Subject: Munich Re Safety Grant Program

---

Commissioners,

The New Jersey Counties Excess Joint Insurance Fund is pleased to announce the availability of safety program funding through the Munich Re Safety Grant Program. Member Counties may receive reimbursement for up to 50% of the cost of a “non-typical” safety item or service to assist in controlling the frequency and severity of their general liability, auto liability and law enforcement liability claims.

**Program Overview:**

- The Munich Re Safety Grant Program is a cost sharing program where counties can receive reimbursement for up to 50% of the cost of a safety item or service.
- The total amount of Grant funding available to members of the New Jersey Counties Excess Joint Insurance Fund for this policy period is \$50,000.00
- The safety item or service cannot be “typical”. For example; training on bloodborne pathogens, back injury prevention and other regulatory issues should already be part of a members overall safety program. Items such as patient lifting boards for EMS body worn cameras or police liability training are specialized and are examples of items that may qualify.
- Safety Grant funding requests for 2021 must be submitted to Glenn Prince [gprince@jamontgomery.com](mailto:gprince@jamontgomery.com) no later than September 1, 2021.
- All submissions, will be forwarded to Munich Re, for review and approval. If approved, the funding will be paid only after the approved items or services have been purchased and proof of payment has been received.

Please feel free to contact me with any questions.

**APPROVAL OF MINUTES: OPEN AND CLOSED MINUTES OF DECEMBER 10, 2020**

Motion	Commissioner Williams
Second:	Commissioner Wright
Vote:	Unanimous

**CORRESPONDENCE:** None.

**SAFETY COMMITTEE:** Mr. Prince reported the Safety Committee last met on January 20<sup>th</sup>, where a variety of safety topics were discussed, including the mandatory recordable OSHA logs which have to be posted on Monday. Mr. Friedman did a phenomenal job working with and instructing all the departments to include the mandatory Covid-19 reporting that needs to be on the log as well as the Bureau of Labor Statistics surveys that were received by some departments. The Committee also reminded all members to continue washing their hands, using PPE and keeping a safe distance at all times. The next meeting is scheduled for February 17<sup>th</sup>. Mr. Prince then concluded his report.

**CLAIMS COMMITTEE:** Mrs. Conicella advised the claims committee met on 1/5/2021 and reviewed the PARS to be reviewed today in closed session. Mrs. Conicella advised she would be moving the appropriate attendees into a breakout room in Zoom for those discussions. Mrs. Conicella then concluded her report.

**EXECUTIVE DIRECTOR:**

**2021 Property & Casualty Budget** – At the December 10, 2020 meeting, the 2021 Property & Casualty Budget was introduced. In accordance with regulations, the budget was advertised in the Commission’s official newspaper. This meeting is the Public Hearing for the budget.

**MOTION TO OPEN THE PUBLIC HEARING OF THE 2021 BUDGET**

Motion	Commissioner Williams
Second:	Commissioner Wright
Vote:	Unanimous

A copy of the budget in the amount of \$16,137,097 and assessments were included in the agenda. The assessments are due on 3/15/21 (40%), 5/15/21 (30%) and 9/15/21 (30%).

The Executive Director advised he’d go through the budget quickly, as it was reviewed in depth last month. The CEL loss funds are down 3.46%, an unbelievable renewal which the Underwriting Manager will explain shortly. Initially, we thought the CCIC’s increase would be around 15%, it ended up being 5.48% for the CEL portion. Still an increase, but not as much as initially projected. For expenses, there are contractual increases for the professionals. There is a decrease to the Risk Manager’s fee due to an adjustment for the Improvement Authority’s fee. In the ancillary coverages, the excess liability was a carry-over from last year, when the CEL absorbed the \$1 million dollar increase. Cyber Liability is up 20%, and although that is high, the municipal side had much larger increases. The assessments were distributed. The average

increase was about 3.5%, the police remained flat due to the decrease in the loss funds. The Executive asked if there were any questions on the budget and then asked for a motion to close the public hearing on the budget.

#### **MOTION TO CLOSE THE PUBLIC HEARING OF THE 2021 BUDGET**

Motion	Commissioner Williams
Second:	Commissioner Wright
Vote:	Unanimous

#### **MOTION TO ADOPT THE 2021 BUDGET AS PRESENTED AND CERTIFY THE ANNUAL ASSESSMENTS**

Motion	Commissioner Williams
Second:	Commissioner Wright
Vote:	Unanimous

**Extraordinary Unspecifiable Services (EUS) Statements** – Included in the agenda were the required Certification of Extraordinary Unspecifiable Services for coverages effective January 1, 2021 for the Camden County Department of Police Services. Also included was Resolution 1-21 awarding the Purchase of Excess Insurances for the Department of Police Services.

#### **MOTION TO APPROVE RESOLUTION 1-21 AWARDING THE PURCHASE OF EXCESS INSURANCES FOR THE DEPARTMENT OF POLICE SERVICES**

Motion	Commissioner Williams
Second:	Commissioner Wright
Vote:	Unanimous

**2021 Plan of Risk Management** – Included in the agenda was a copy of the 2021 Plan of Risk Management. The Plan is an overview of the Commission's coverage, risks retained by the Commission, reserving philosophy, method of assessing member contributions, claims payment authority, etc. The changes were highlighted in yellow.

The Underwriting Manager reviewed the Plan with the Commissioners. Using the workers compensation limit of \$26,150,000 as an example, he reported limits have changed how they are structured throughout the program. The Police auto liability limit has changed from \$20 million to \$15 million, although his office is currently in the marketplace trying to fill that gap. The Underwriting Manager reported there are retention changes for the Public Officials and Employment Liability Coverage. The Employment Practices space has been getting worse in terms of claim severity and frequency and there's a minimum retention the insurance companies are now comfortable with based on entity size.

The Executive Director advised many Commissions are supplementing the difference between the members' previous retention and the new retention. He highlighted the MUA and BOSS whose retentions would be up from \$25,000 to \$100,000 under the new program. He reported this could be an action item on the next agenda, if the Commissioners agreed to fill that gap for those entities.

The Underwriting Manager continued. Under the property program, the equipment breakdown deductible increased from \$25,000 to \$50,000, and advised that was a much needed change to keep the insurance stable as there were quite a few equipment breakdown claims. For named storms there is now a maximum deductible of \$5 million, a positive addition to the coverage. Most of the other coverages stayed relatively the same, except for Cyber Liability coverage. The primary Cyber coverage for all the CEL members is with Chubb. Due to the severe public entity loss history in the past three years, mostly ransomware, the cyber retention is now \$100,000 and the incident response coach (cyber legal counsel) has a \$1,000 retention. Additionally, CCIC was one of the few commissions who purchased excess cyber coverage, the current carrier on that, BRIT, has provided an extension until the end of the month, but they are exiting the market. The Underwriting Manager will have options from other carriers and provide an update at the next meeting.

**MOTION TO ADOPT RESOLUTION 2-21 APPROVING THE 2021 PLAN OF RISK MANAGEMENT**

Motion	Commissioner Williams
Second:	Commissioner Wright
Vote:	Unanimous

**Meeting Dates for 2021** – Included in the agenda was a copy of the 2021 Annual Meeting dates. There will be no meetings in August and November. Included in the agenda was a copy of Resolution 3-21, Fixing Public Meeting Dates for Year 2021.
