Memo to: Commissioners

Camden County Insurance Commission

From: Joseph Hrubash, NJCE Executive Director

Subject: NJCE JIF Report

Executive Directors Report: The following items were discussed:

NJCE Claims Review Committee: The Claims Review Committee met prior to the Fund's meeting. The Board of Fund Commissioners accepted the recommendations of the Claims Review Committee to approve payment or settlement authority requests.

December 31, 2023 Audit: Fund Auditor submitted the draft financial audit and provided a high-level overview and reported an Operating Income Loss of \$4.1 million, which was primarily due to several large excess property losses since the NJCE had a \$3 million retention due to hard property market conditions; however, the Total Net Position of the Fund as of year-end was \$10.6 million. Fund Auditor reported he did not expect any changes to the final financial audit, which will be issued in September. Fund Auditor concluded the review and noted there were no recommendations or findings. The Board of Fund Commissioners adopted a resolution authorizing the Fund office to file the draft audit and request an extension to file the final audit report to the state's regulatory agencies.

Financial Fast Track: Submitted for information was the Financial Fast Track as of April 31, 2024, which reflected a statutory surplus of \$8.1 million and a total cash position of \$26.3 million.

Chubb: Effective January 1, 2024, the NJCE entered into a policy with Chubb to provide Equipment Breakdown coverage. Representatives from Chubb were in attendance and provided a summary of services to be provided to NJCE members.

Finance Sub-Committee: The Sub-Committee met on Tuesday, June 18, 2024; minutes of the meeting were submitted for information and the following discussion points were highlighted:

Named Storm Deductible: Committee reviewed Underwriting Manager quotes for a \$15 million or \$20 million aggregate, which were both well above the budget. Underwriting Manager will obtain new quotes as part of the 2025 renewal, which may result in better pricing. Since the Named Storm deductible is a member entity deductible the Committee discussed the idea of an NJCE advanced payment program. This was tabled as the Committee felt more analysis was needed including discussions with FEMA/State of NJ on how their program would respond.

<u>Technology Errors & Omissions</u>: The Underwriting Manager discussed one area of potential exposure is with shared services contracts where the County is providing IT related services to a 3rd party (municipality, County affiliate, etc.). Technology Errors and Omissions insurance is a specialized form of coverage designed to protect an entity providing IT related services to another entity from financial losses. The Committee decided it would be best for the Underwriting Manager to develop and distribute a survey to determine the need for this coverage.

Professional Services:

TPA Services: Fund Office received correspondence from AmeriHealth regarding a pending agreement between CompServices inc. t/a AmeriHealth and CRC/Independence Health Group to purchase the TPA business offered through AmeriHealth Casualty Services. Fund Attorney provided a verbal update in closed session; no action was taken during open session.

Professional Services Agreements: Executive Director reported that the contracts for Executive Director, Underwriting Manager and Safety Director expire February 2025 and that NJCE Fund Attorney and QPA will start the process in the Fall timeframe. The Claims Administrator and Managed Care services expire September 2026.

BCIC Educator's Legal Liability Coverage Amendment: Burlington County Insurance Commission required an endorsement to extend coverage for due process claims including administrative hearings, Individualized Educational Plan (IEP) etc. under the Educators Legal Liability coverage for certain member entities. The coverage is self-contained within the BCIC retention; however, the addition of coverage requires amending the BCIC Educators' Legal Liability policy to include the necessary endorsement to extend coverage. The Board of Fund Commissioners authorized the BCIC coverage endorsement effective June 1, 2024.

NJ Cyber JIF: With approval of the Board, the NJCE Executive Director reissued a membership consideration request at the Cyber JIF's May 14th meeting. The matter was discussed by the NJ Cyber JIF Operations Committee on June 24th; their recommendation will be to hold any new membership applications until Fund Year 2026.

Cyber Risk Control Framework: The NJCE Cyber Task Force met on March 26th and has since reviewed and is recommending revisions drafted by the Underwriting Manager and The Chertoff Group based on responses to the Technology Stack Questionnaire. The Underwriting Manager provided a summary review of the changes. The Board of Fund Commissioners accepted the recommendation of the Cyber Task Force and approved revisions to the Cyber Risk Control Program.

In addition, the Banking Best Practices document was also distributed; this was developed by the Underwriting Manager and The Chertoff Group in response to an increase in wire fraud activity and whitewashing of checks.

NJCE Safety Committee: The Safety Committee met on Monday June 10th; minutes of the meeting were submitted for information and Safety Director provided a verbal report of notable items. The next meeting is scheduled for Monday, September 16th at 10am via Zoom.

Property Appraisal Status: Submitted for information was a status chart of the Commission/County's property appraisals as of June 14th. Most of the Insurance Commissions have completed Year 1 appraisals.

Manuscript Policies: Fund Office and Underwriting Manager have finalized the policy documents. Members will be notified once completed and uploaded to Origami.

September Board of Commissioners Meetings: Executive Director had previously suggested holding an in-person meeting at a central location. Based on feedback, the September meeting will remain virtual, and November's meeting will be on the next agenda for discussion.

Workers' Compensation: Submitted for information was an article from Mark Wall of Safety National explaining the various factors affecting the increase in Workers' Compensation claims.

2024 MEL, MRHIF & NJCE Educational Seminar: The 14th Annual Educational Seminar was held over two sessions with over 200 participants attending each session. The seminar qualified for Continuing Education Credits including CFO/CMFO, Public Works, Clerks, Insurance Producers and Purchasing Agents and credits should have been received by May 31st.

Membership Renewal: The Counties of Camden, Gloucester and Monmouth are scheduled to renew their three-year membership with the Fund as of January 1, 2025. Renewal documents were sent to each respective County.

2024 New Jersey Association of Counties Conference: Representatives from PERMA Risk Management Services and J.A. Montgomery attended and exhibited at the NJAC 2024 May 1-3 conference in Atlantic City at Caesar's. Keith Hummel of J.A. Montgomery presented on First Amendment Audits.

Underwriting Manager Report

Underwriting Manager reported preliminary discussions on the 2025 Renewal have started and if available marketing information will be provided at the next meeting.

Risk Control Report

Safety Director submitted a report noting Risk Control Activities from April 2024 – June 2024, bulletins that were distributed and available training sessions through August 2024.

WC Claims Administration Report

A report was submitted noting the billed amount, paid amount, net savings as of May 2024.

Next Meeting: The next meeting of the NJCE JIF is scheduled for Thursday September 26, 2024 at 9:30AM virtually.

NJCE LIVE SAFETY TRAINING

We are offering the majority of the NJCE JIF training catalog on a Virtual platform through Zoom. In-Person training will be held via the MSI-NJCE Expos and are scheduled throughout New Jersey - 2024 MSI-NJCE Expo Flyer.pdf.

- Excavation, Trenching, and Shoring (4 hours)
- Forklift Train the Trainer (5-6 hours)
- Flagger Workzone Safety (4 hours)

Virtual classes feature real-time, instructor-led in-person, and virtual classes. Experienced instructors provide an interactive experience for the attendee on a broad spectrum of safety and risk control topics. Most NJCE LIVE virtual offerings have been awarded continuing education credits for municipal designations and certifications.

The live virtual monthly training schedules and registration links are available on the NJCE.org website under the "Safety" tab: NJCE Live Monthly Training Schedules. Please register early, under-attended classes will be canceled. (July thru September 2024 Live Training Schedules and Registration Links are attached).

To maintain the integrity of the NJCE classes and our ability to offer CEUs, we must abide by the rules of the State agency that issued the designation. Most important among those rules is the attendee of the class must attend the whole session. Attendees who enter the class more than 5 minutes late or leave early will not be awarded CEUs for the class or receive a certificate of completion.

Zoom Safety Training Guidelines:

Attendees who enter the class more than 5 minutes late or leave early will not be awarded CEUs for the class or receive a certificate of completion. To maintain the integrity of the classes and our ability to offer CEUs, we must abide by the rules of the State agency who issued the designation. Chief among those rules is the attendee of the class must attend the whole session. This guideline also applies to any participant taking the class as part of the NJCE Leadership Academy Program.

The Leadership participant must be in attendance for the entire class runtime (no exceptions) in order to receive credit for the class.

The Zoom platform is utilized to track the time each attendee logs in and logs out of webinars. Also, we can track participation, to demonstrate to the State agency that the student also participated in polls, quizzes, and question & answer activities during the live, instructor-led webinar. We maintain these records to document our compliance with the State agency.

Zoom Training Registration:

- When registering, please indicate the number of students that will be attending with you if in a group setting for an
 accurate count to avoid cancelations due to low attendance. Once registered you will receive an email with the webinar
 link. Be sure to save the link on your calendar to access on the day of training.
- Please register Early (at least 48 hours before, as Under-attended classes may be cancelled).
- A Zoom account is not needed to attend a class. Attendees can login and view the presentations from a laptop, smartphone, or tablet.
- Zoom periodically updates their software. After registering for a webinar, the confirmation email contains a link at the bottom to Test your system. We strongly recommend testing your system, and updating it if needed, at that time.
- Please click here for informative Zoom operation details.
- It is suggested you log in to the webinar about 15 minutes early, so if there is an issue, there is time to address it. We cannot offer credit or CEUs/TCHs (or Leadership Academy Participants) to attendees who log in 5 minutes late or leave early.
- Group Training procedures:
 - Please have one person register for the safety training webinar and also ensure that person will have access to the webinar link to launch on the day of the class.
 - Group sign in sheet: Please assign someone to submit the completed sign-in sheet(s) within 24 hours of the webinar. *NJCE Live Virtual Training Group Sign in Sheet*.
